Dear Mr. Simonson:

The Colorado Department of Health, Hazardous Materials Waste Management Division, "the Division" has reviewed your request dated February 8, 1991. The Department of Energy (DOE) has requested a work modification in the form of an Interim Plan for the Prevention of Contaminant Dispersion (PPCD) to be submitted to the Environmental Protection Agency (EPA) and "the Division" by February 21, 1991, and an extension for the Final PPCD to be submitted on April 18, 1991, rather than February 21, 1991. The "Division" grants both of the above requests.

Please contact Joe Schiefflin of my staff at 331-4421, if you have any questions about this matter.

Sincerely,

Gary W. Baughman
